Notes: Item 37. Volume Discount Postage. The percent discount can be applied only to the country volume that meets or exceeds the required threshold. The discount applies to each service level for that country. If the volume threshold amount is reached within a manifest mailing, the discount cannot be applied unless the mailer splits the mailing into two manifests: one with pieces up to 100,000 for a specific country and another one for pieces 100,001 and over that are eligible for the discount rate. If the mailer's system cannot separate the manifests, the discount will take effect on the next full mailing.

Item 39. Total Postage and Fees. Add Items 36 + 38. If discount applies add Items 37 + 38.
